

The new
Shine
100

Powered by Honda's renowned eSP technology, delivers exceptional fuel efficiency, performance, and low maintenance. Built for durability and affordability, it ensures a hassle-free ownership experience. Designed for ultimate comfort, its stellar ergonomics and smooth handling enhance every ride. Plus, it complies with OBD2B norms, ensuring advanced emission standards and reliability.

IMPRESSIVE MILEAGE

eSP Technology

reduced friction and improved performance and fuel efficiency.

PGM-FI

Advanced sensor-based system ensuring constant optimum fuel flow to the engine based on the riding style, allowing for higher efficiency and lesser emissions.

Reduced Friction

Reduced friction and constant ideal engine temperature by piston cooling jet, offset cylinder, and rocker roller arm working together.

100cc BS VI OBD2B Compliant Engine

Honda's 100cc BS VI OBD2B-compliant engine ensures superb performance, unmatched reliability, and best-in-class mileage. It offers optimum riding experience while following OBD2B norms.

DELIGHTFUL COMFORT

Efficient CBS Braking

Reduced braking distance for ultimate riding confidence, powered by the Combi-Brake System with Equalizer.

Superb Suspension Dynamics

Perfect suspension setup makes riding on every road a breeze.

Longer & Comfortable Seat

Long journeys made easy with longer and more comfortable seating with awesome ergonomics.

Easy Ground Touch with Optimized Seat Height

Riders can easily be flat-footed with optimum seat height that enhances comfort.

SUPERB STYLE

All new enriched and splendid graphic design that compliments the overall look of the bike.

The symbol of never-ending trust, quality, and reliability.

SUPERB STYLE

Appealing Front Cowl

Elegant aerodynamic front cowl and powerful head lamp give the bike a pleasing look.

Simplistic Instrument Panel

A simple and minimalist instrument console compliments its mature character.

Strong Grab Rail

Elegant and strong grab rail for added pillion safety and enhanced practicality.

SUPERB STYLE

Elegant Tail Lamp
Bright and elegant tail lamp gives the bike an imposing look from the back.

Stylish Alloy Wheels
All-black alloy wheels accentuate the overall look of the bike.

EFFECTIVE UTILITY

Side Stand Engine Inhibitor

Added safety by cutting off ignition when vehicle is in gear with side stand engaged.

Durable Diamond Frame

Better handling due to light frame and reduced weight while being tougher and more durable. Suited for variable road conditions and easier load carrying.

Small Turning Radius

Perfect for tight corners and narrow roads.

High Ground Clearance with Long Wheelbase

Long wheelbase and high ground clearance makes bike stable at high speeds and broken roads, adding to rider's confidence.
