INTRODUCING

ADV160

GLOBAL URBAN ADVENTURE

ADV160

FOR THE GLOBAL URBAN ADVENTURE

The all-new ADV160 brings Honda's global ADV experience to Indian customers, made in India for the roads ahead. It's authentic ADV styling, 4-valve 157cc eSP+ liquid-cooled engine, large windscreen and front & rear disc create a confident, versatile riding experience. As India's first flex-fuel scooter compatible with E85 fuel, it also takes a significant step towards a more adaptable future.

DESIGN & STYLE

An adventure in every detail

GLOBAL ADVENTURE DESIGN

Bold ADV styling combines road presence, everyday practicality and touring-inspired comfort for confident city and weekend adventures.

ALL LED HEADLAMP & STYLISH LED WINKERS

The aggressive dual LED headlamp and stylish winkers enhances visibility while giving the ADV a bold unmistakable identity.

SPORTY MUFFLER DESIGN

A sleek sporty muffler enhances the dynamic appeal while delivering a refined and enhanced riding experience.

STYLISH WINDSHIELD

A tall, stylish windshield improves wind protection, enhances riding comfort and strengthens the global adventure styling.

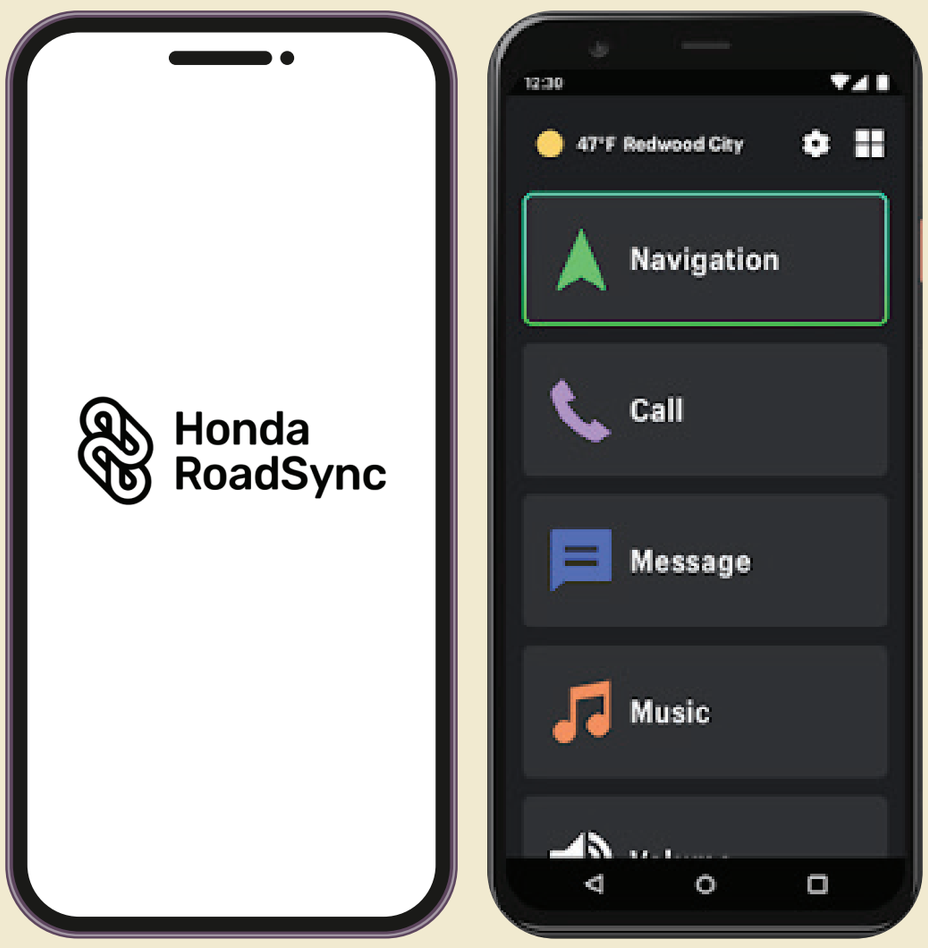

TECH & CONNECTIVITY

Stay connected. Stay adventurous.

12.7cm TFT DISPLAY

A vibrant 12.7cm TFT display delivers essential ride information with exceptional clarity, customizable layouts, and day-night visibility.

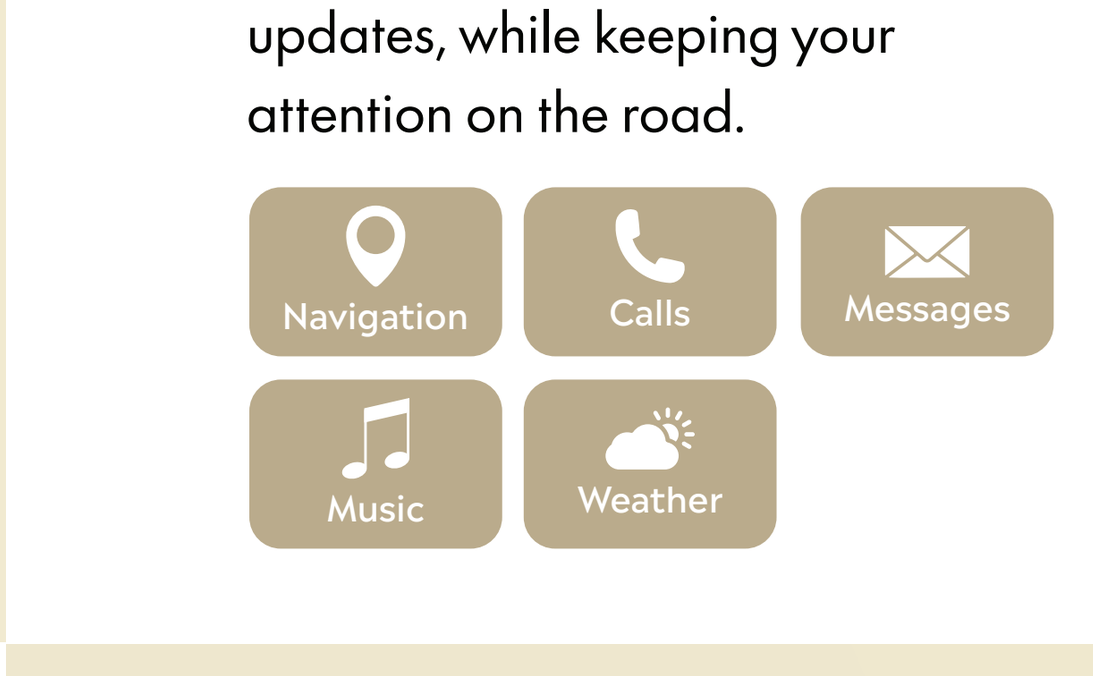

Honda RoadSync

Stay connected via Bluetooth to accept or decline calls and access navigation, messages and weather updates, while keeping your attention on the road.

Honda SMART KEY

Unlock, start and locate your scooter effortlessly with Honda Smart Key, powered by H-Smart technology, offering keyless convenience and enhanced security in every ride.

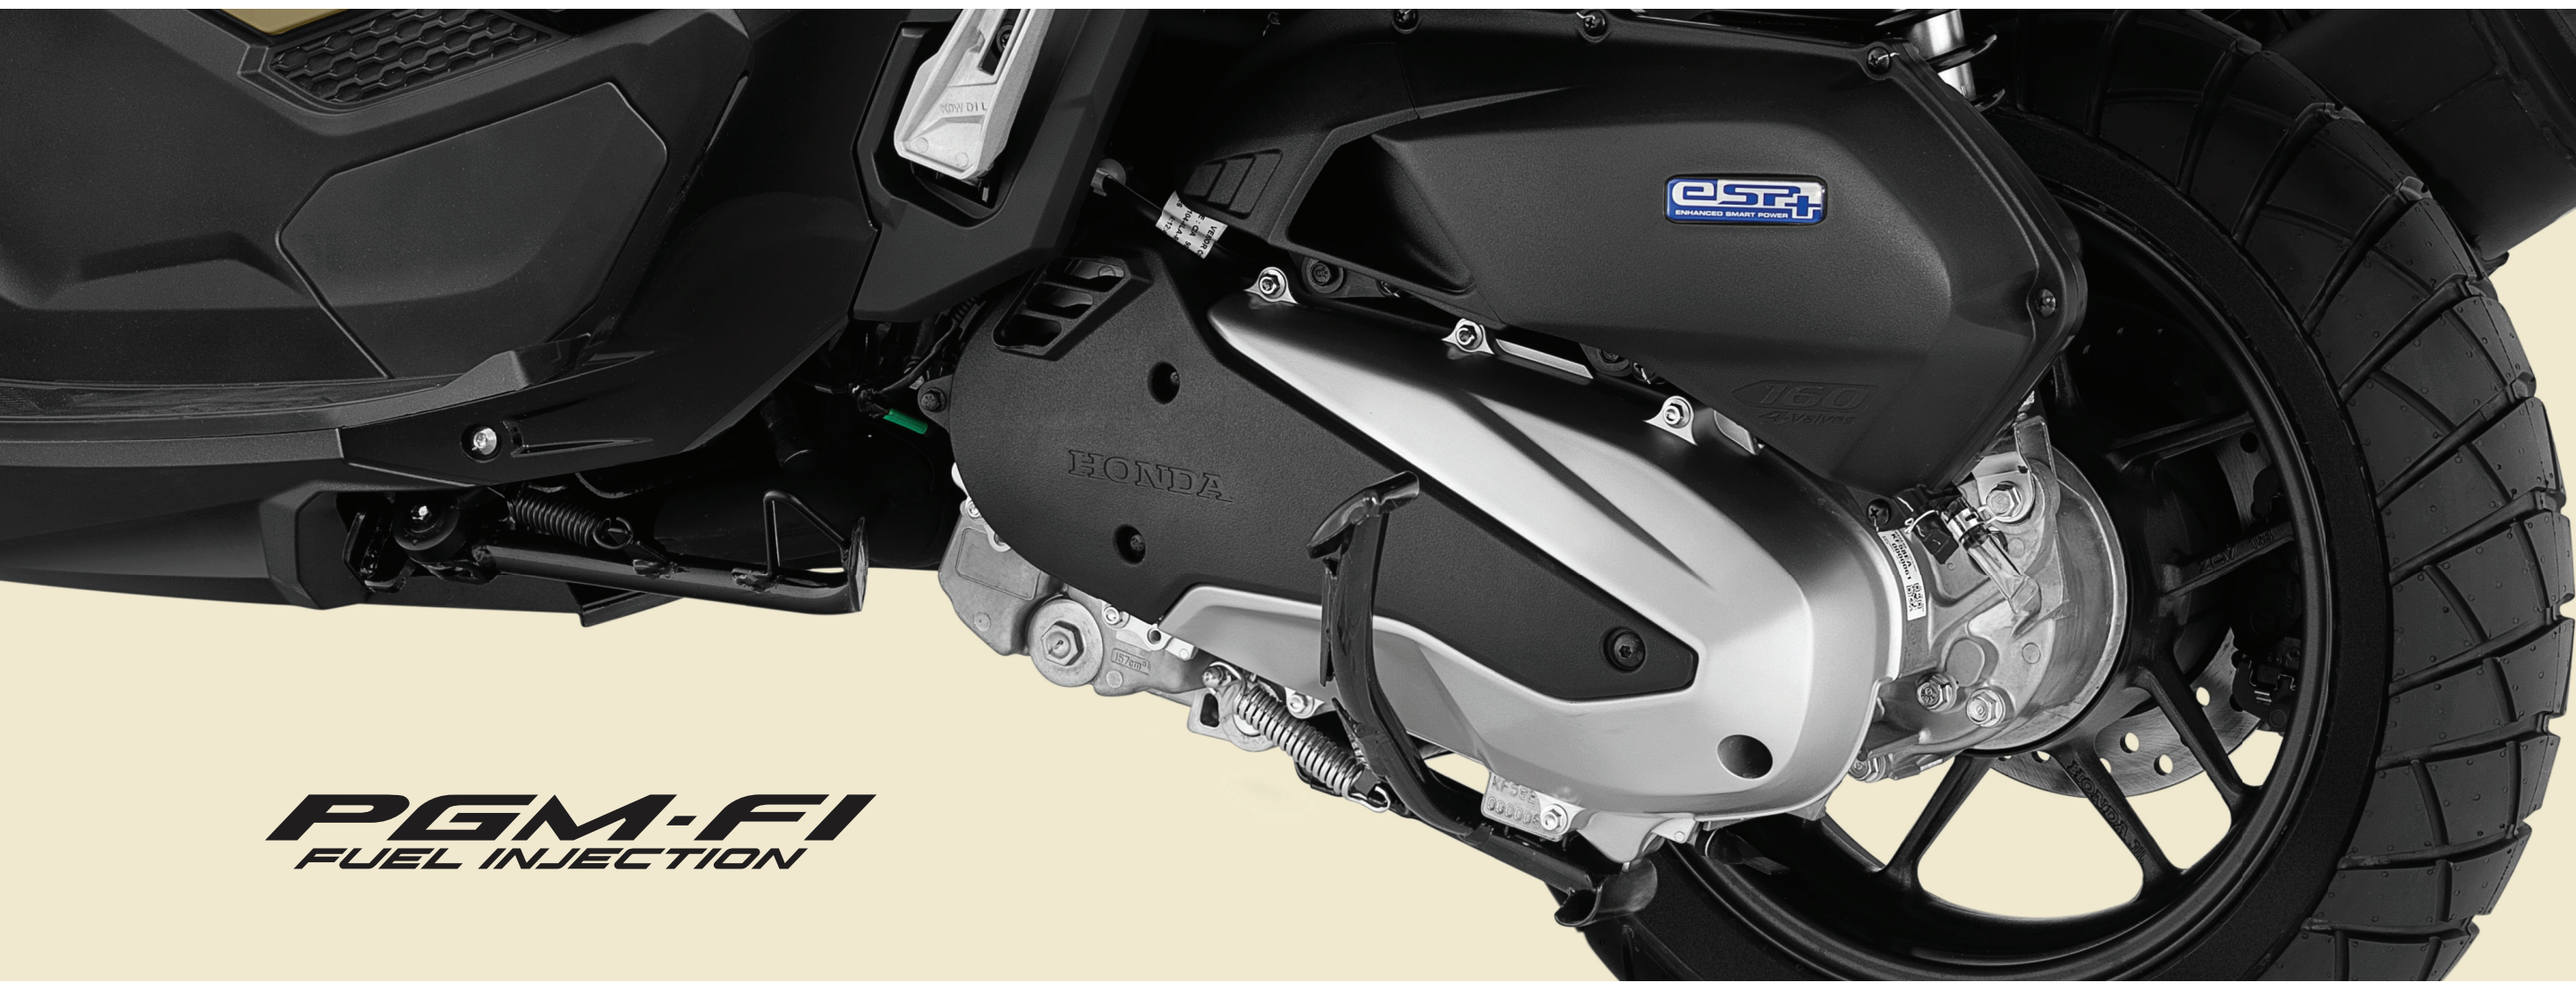

IDLING STOP SYSTEM (ISS)

Automatically brings the engine to idling state during brief halts, helping improve fuel efficiency while reducing unnecessary idling in traffic.

PGM-FI

Honda's advanced Programmed Fuel Injection system ensures precise fuel delivery for smoother performance, improved efficiency and reliable starting.

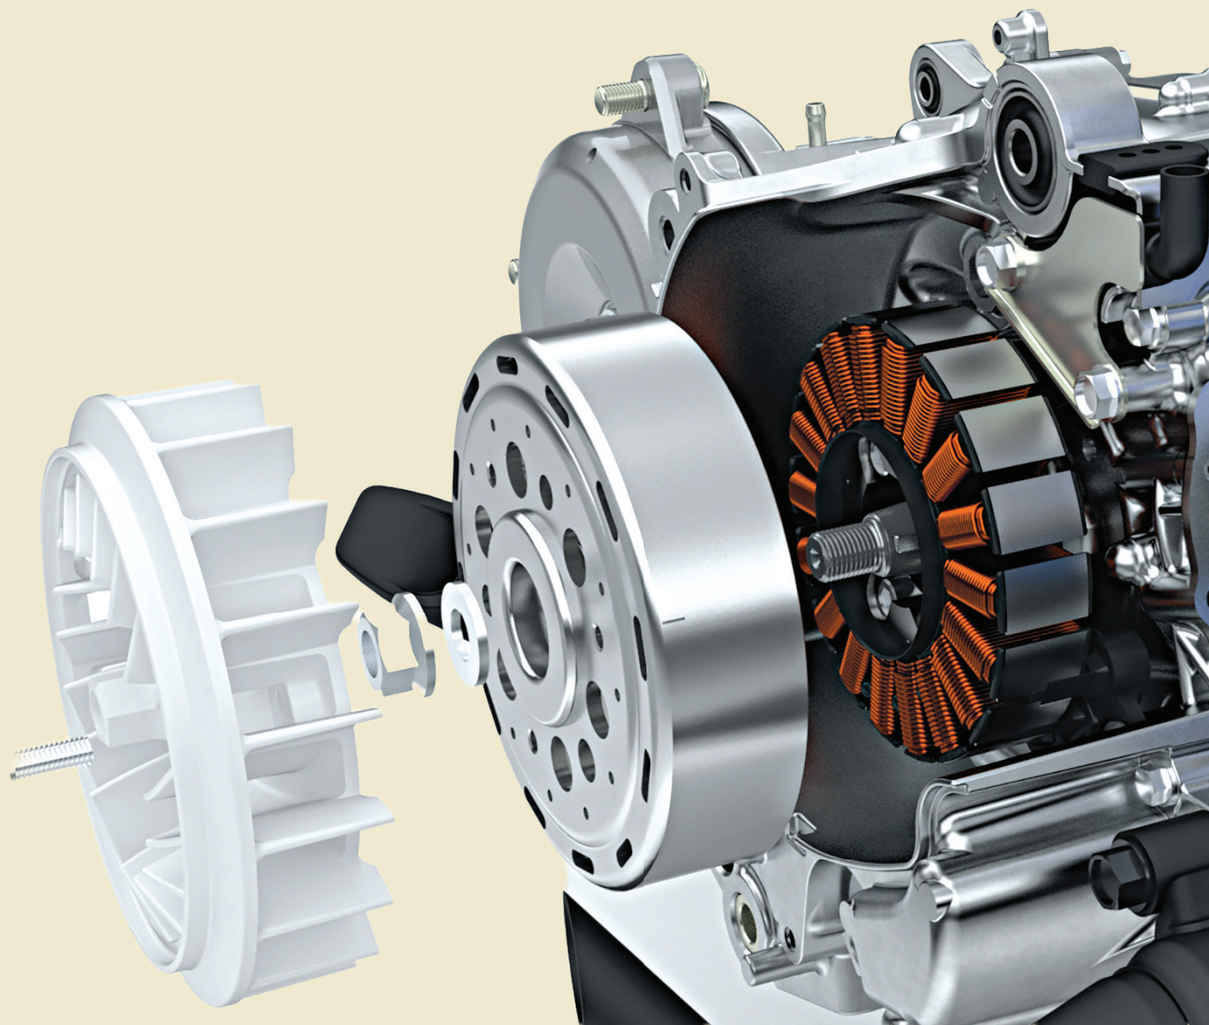

ENHANCED SMART POWER (eSP+)

The eSP+ engine technology utilizes a 4-valve architecture and advanced features to provide robust power output while ensuring low fuel consumption.

SILENT START WITH ACG

ACG starter delivers silent, jerk-free engine starts for a refined riding experience every time you set off.

POWER & PERFORMANCE

Excitement Begins Here

4-VALVE, 157cc LIQUID-COOLED ENGINE

Experience refined performance with a 4-valve liquid-cooled engine delivering maximum power, torque, and confident acceleration across every ride.

INDIA'S 1ST E85 FLEX FUEL SCOOTER

ADV160 offers Honda's global adventure experience to Indian customers through Make in India. It runs on fuels from E20 to E85, ensuring compatibility with current and future fuel options for long-lasting enjoyment.

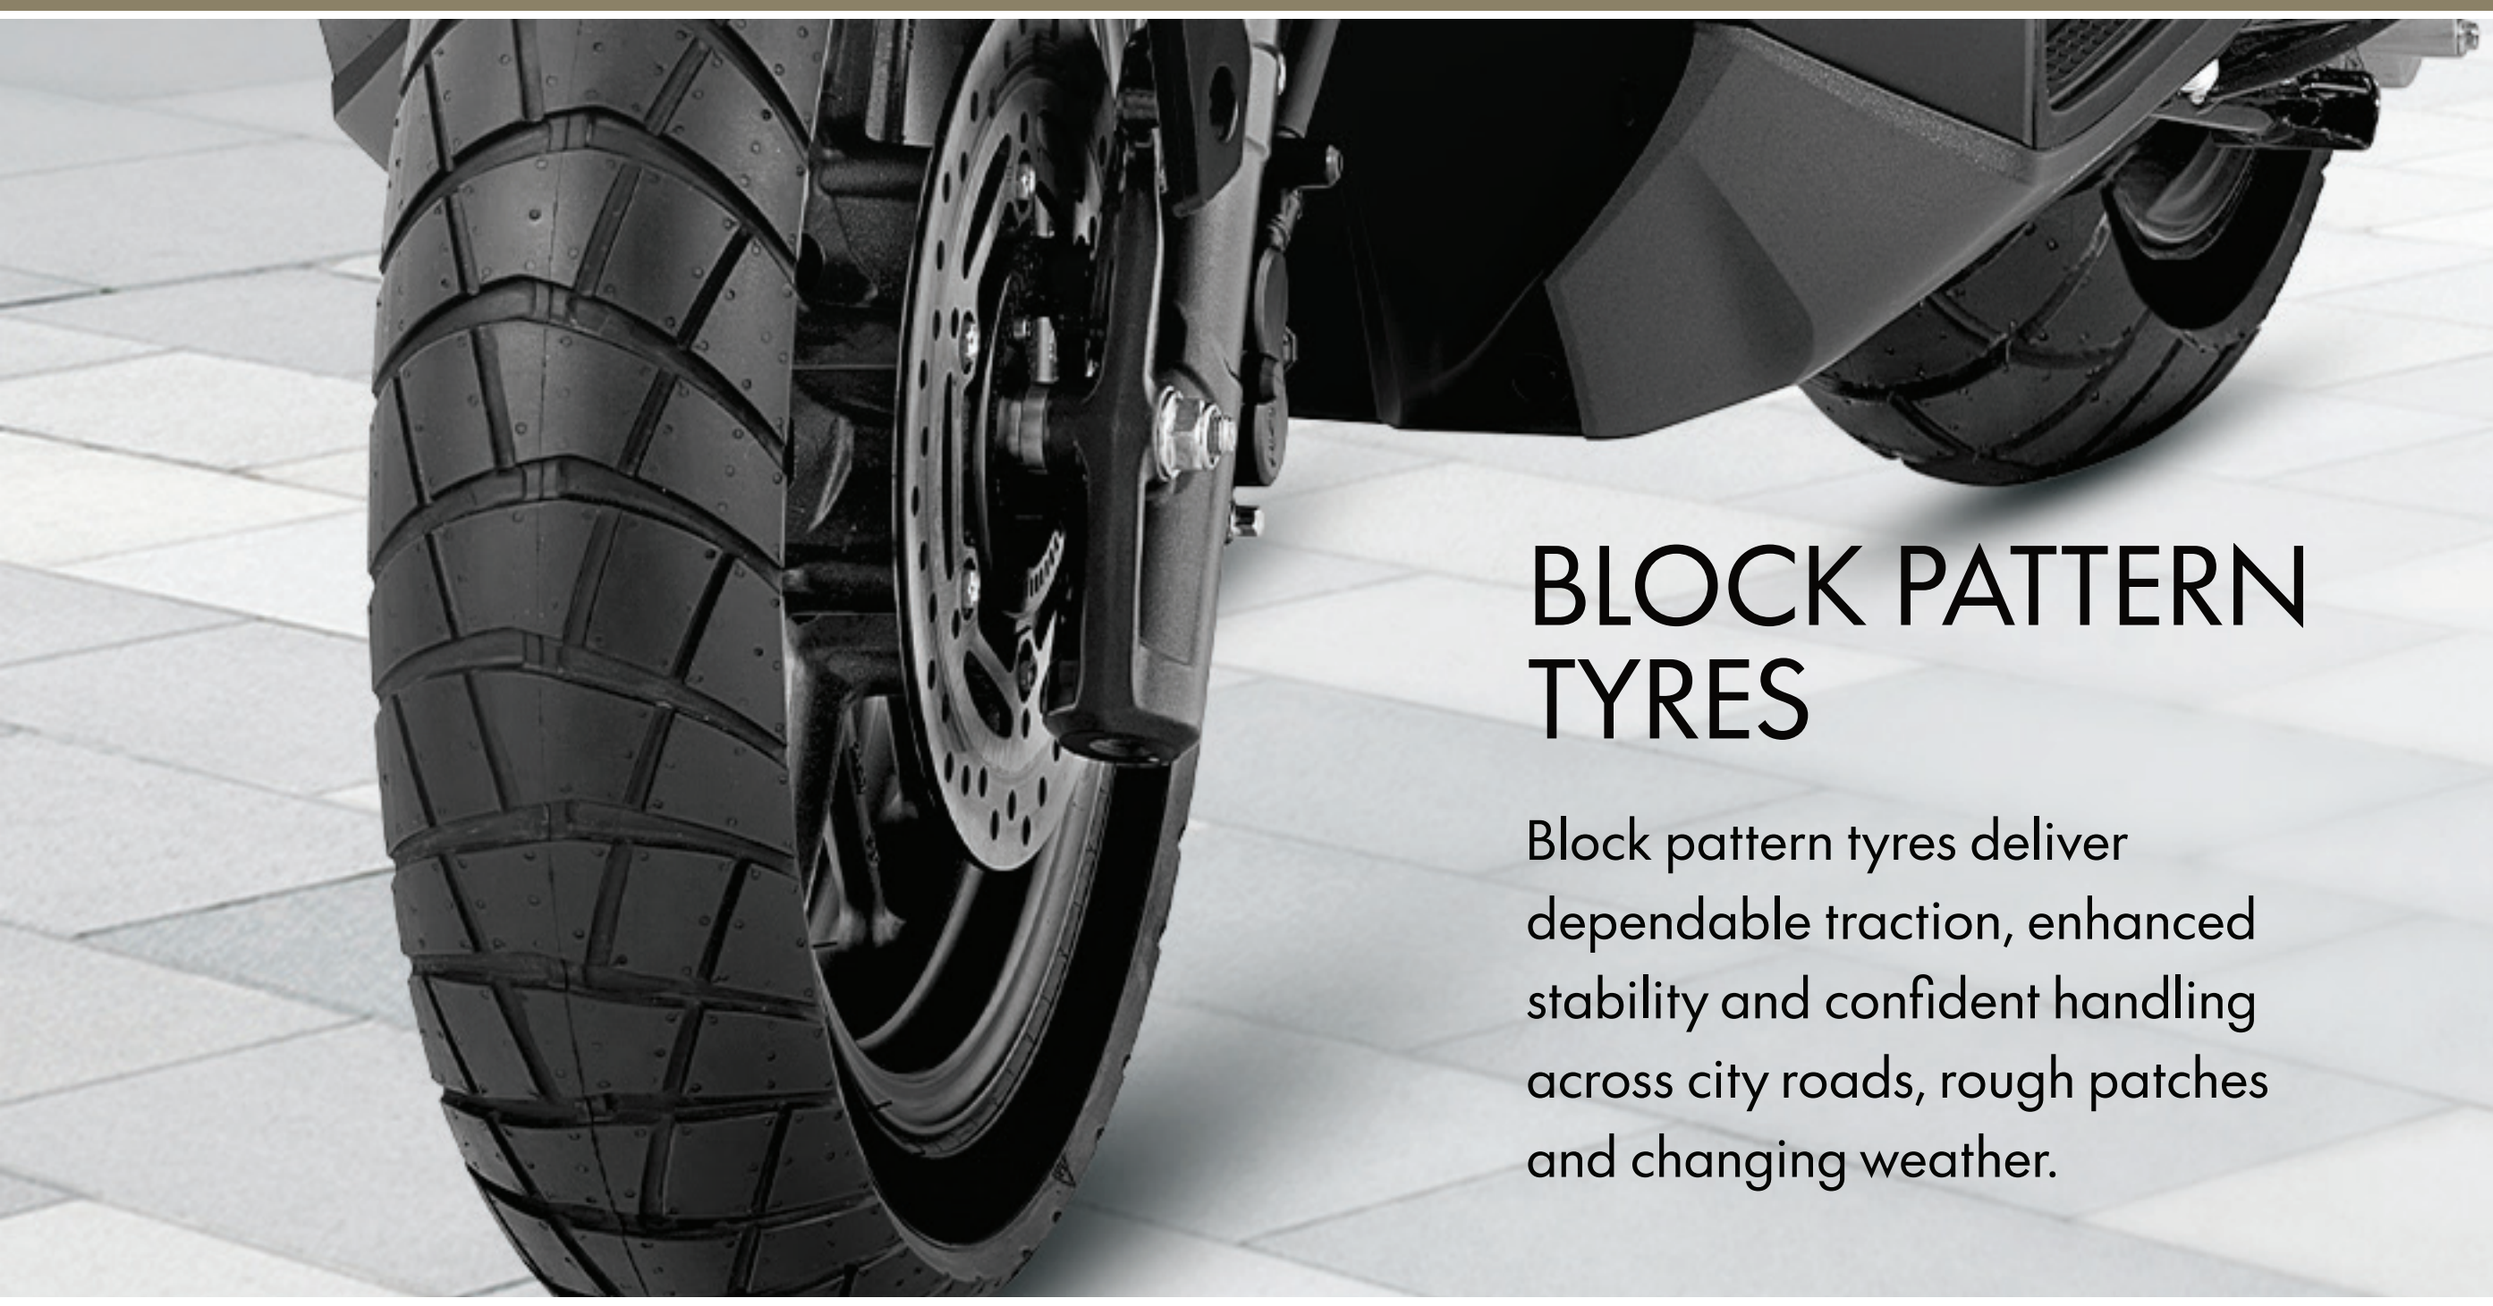

Honda SELECTABLE TORQUE CONTROL

Honda Selectable Torque Control monitors rear wheel traction, helping maintain stability and rider confidence across changing road conditions.
It can be turned on or off as per need.

HSTC
Honda Selectable Torque Control

SAFETY

Engineered for everyday freedom.

BLOCK PATTERN TYRES

Block pattern tyres deliver dependable traction, enhanced stability and confident handling across city roads, rough patches and changing weather.

HAZARD LAMP

Hazard lamps alert surrounding traffic during emergencies, improving visibility and enhancing safety in unexpected roadside situations.

SIDE STAND ENGINE CUT-OFF

Automatically cuts off the engine when the vehicle is put in gear with the side stand engaged, ensuring added safety on every ride.

FRONT & REAR DISC BRAKES

Front & rear disc brakes deliver stronger, balanced braking performance for greater confidence, improved stability and controlled stopping in every situation.

SINGLE CHANNEL ABS

Front-wheel ABS helps prevent wheel lock during sudden braking, improving control and rider confidence on slippery or unpredictable roads.

CONVENIENCE
RIDE & COMFORT

Everyday comfort. Everyday ready.

SPLIT GRAB RAIL

Ergonomic split grab rails complement the dynamic styling while offering a secure and comfortable hold for pillions.

ESSENTIALS STORED. DEVICES CHARGED

Store your essentials conveniently while keeping compatible devices powered on the go with integrated 15W USB-C port charging.

ALLOY WHEELS

Lightweight alloy wheels enhance handling, reinforce ADV styling and inspire confidence across city streets and varied road conditions.

LARGEST FUEL TANK CAPACITY IN SEGMENT

Large **8.1 L** fuel tank with front fuel filling supports longer rides with fewer refuelling stops, making every journey more convenient and uninterrupted.

LARGEST UNDERSEAT STORAGE IN SEGMENT

Generous **27 L** underseat storage accommodates everyday essentials, making commuting, shopping and weekend rides effortlessly convenient.

HIGH GROUND CLEARANCE

Generous ground clearance of **175 mm** helps tackle uneven roads, speed breakers and rough patches with greater confidence and comfort.
